

Multiple Sets of Collections Notices

- CU*BASE will allow 4 delinquency notice groups:
 1. General (current)
 2. Credit cards
 3. Mortgage
 4. User defined (can be used for business loans, or a 2nd type of mortgage loan, or...?)
- Assign group at the Loan Category level
- Define different text for the notices
- Define different notification levels/timelines for each group:

Status: Development to begin soon

CU*BASE GOLD - Loan Delinquency Notices Definition
